

WHY SOCIAL & COLLABORATIVE LEARNING?

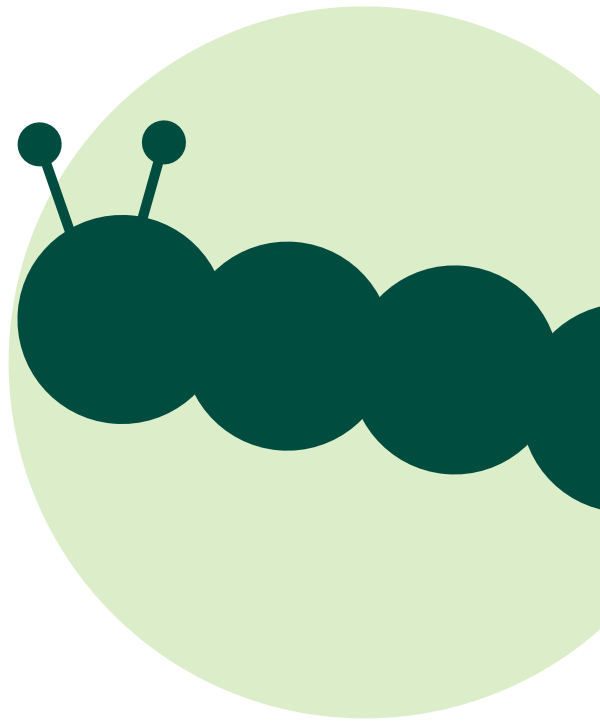

#enhance

Enhance innovation through knowledge sharing and cross-cultural learning experiences

#external

Integrate high-value external expertise across the organisation

#express

Break down organisational silos and hierarchies to provide fresh insights and new ways of thinking & doing.

#enjoy

Social learning creates ready-made learning opportunities. Leading to cost effective and affective learning that is 'always on' and engaging (FOMO).

**SOCIAL LEARNING IS NOW!
AND THE FUTURE**
